Thanks Ed ,

I really appreciate you showing me the ropes on dairies ! - I feel like I learned a ton, and it was great how all the dairy owners were very cooperative - a real testament I think to all the groundwork you all have done over the years.

Could I trouble you to also send me copies of the most recent annual report submittals for the facilities we visited ? this will give me more background to include in the reports - which of course I *love* writing!

Best,
john
